The President then laid before the Senate on its second reading and passage to third reading:

H. B. No. 231, A bill to be entitled "An Act to protect trade-mark owners, distributors and the general public against injurious and uneconomic practices in the distribution of articles of standard quality under a distinguished trade-mark, brand, or name, and to facilitate fair trade; defining certain terms; providing a saving clause, and declaring an emergency."

The bill was read second time.

The President directed the Secretary to read the "committee" amendment to the bill, as follows:

Amend House Bill No. 231 by striking out Section 4 and substituting as Section 4, the following:

Nothing in this Act shall ever be construed as amending, modifying, suspending or repealing any of the laws of this State defining and prohibiting trusts, monopolies, and conspiracies against trade, with particular reference to Chapter 3, Title 19, Penal Code of the State of Texas, and Title 126, Revised Civil Statutes of Texas, 1925, and if any provision of

this Act is held to be in contravention of or conflict with any of said laws, then this Act shall be null and void and of no force or effect.

The amendment was read.

Senator Hardin offered the following amendments to the bill:

(1)

Amend the bill by striking out all below the enacting clause and inserting the following:

"Section 1. That no contract relating to the sale or resale of a commodity which bears, or the label or content of which bears, the trade-mark, brand, or name of the producer or owner of such commodity, and which is in fair and open competition with commodities of the same general class produced by others, shall be deemed in violation of any law of the State of Texas by reason of any of the following provisions which may be contained in such contract:

"1. That the buyer will not resell such commodity, below the minimum price stipulated by the vendor.

"2. That wilfully and knowingly offering for sale or selling any commodity at less than the minimum price stipulated in any contract entered into pursuant to the provisions of this Act, whether the person so offering for sale or selling is or is not a party to such contract, is unfair competition and is actionable at the suit of any person damaged thereby.

"3. That the vendee or producer require any dealer to whom he may resell such commodity to agree that he will not, in turn, resell, below the minimum price stipulated by such vendor or by such vendee.

"Sec. 2. Such provisions in any contract shall be deemed to contain or imply conditions that such commodity may be resold without reference to such agreement in the following cases:

"1. In closing out the owner's stock for the purpose of discontinuing delivery of any such commodity, provided, however, that such stock is first offered to the manufacturer of such stock at the original invoice price, at least ten (10) days before such stock shall be offered for sale to the public.

"2. When the goods are damaged or deteriorated in quality, and notice is given to the public thereof.

"3. By any officer acting under the orders of any Court.

"Sec. 3. The following terms, as used in this Act, are hereby defined as follows:

"'Producer' means grower, baker, maker, manufacturer, or publisher.

"'Commodity' means any subject of commerce.

"Sec. 4. This Act shall not apply to any contract or agreement between the purchasers or between wholesalers or between retailers, as to sale or resale prices. It is further specifically provided that such contracts between said parties is hereby declared void.

"Sec. 5. It is hereby declared unlawful for any person to misrepresent any article, offered for sale by any business operated in this State, as to contents or percentage in relation to constituent materials, weight, or purity, and upon conviction he shall be deemed guilty of a misdemeanor and shall be fined not less than Fifty Dollars (\$50.00) nor more than Two Hundred and Fifty Dollars (\$250.00).

"Sec. 6. Nothing in this Act shall ever be construed as amending, modifying, suspending or repealing any of the laws of this State defining and prohibiting trusts, monopolies, and conspiracies against trade, with particular reference to Chapter 3, Title 19, Penal Code of the State of Texas, and Title 126, Revised Civil Statutes of Texas, 1925, and if any provision of this Act is held to be in contravention of or conflict with any of said laws, then said provision shall be null and void and of no force or effect.

"Sec. 7. If any word, words, phrase, clause, sentence, section, paragraph, or provision of this Act is declared unconstitutional, it is the intent of the Legislature that the remaining portions thereof shall not be affected, but that such remaining portions remain in full force and effect.

"Sec. 8. This Act may be known and cited as the 'Fair Trade Act.'

"Sec. 9. The fact that the State has no law to regulate unfair trade practices creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and that this Act shall take effect and be in

force from and after its passage, and it is so enacted."

(2)

Amend the bill by striking out all before the enacting clause and inserting in lieu thereof the following:

"An Act to protect trade-mark owners, distributors, and the general public against injurious and uneconomic practices in the distribution of articles of standard quality under a distinguished trade-mark, brand, or name, and to facilitate fair trade; defining certain terms; making certain exceptions; making certain acts unlawful and providing penalty therefor; providing the Act shall not be construed as affecting laws defining and prohibiting trusts, monopolies, and conspiracies against trade, with particular reference to Chapter 3, Title 19, Penal Code of Texas, and Title 126, Revised Civil Statutes of Texas, 1925; providing a saving clause; providing a title; and declaring an emergency."
